Population

- < 5
- 6 - 10
- 11 - 20
- 21 - 40
- > 40

Source: U.S. Census

Note: Hispanic individuals were self-identified in the 2010 Census through a question asking the respondent to select their origin or descent from a list of ethnic origins that included Mexican, Puerto Rican, Cuban, Central or South American, or some other Hispanic origin. Persons who self-identified as being of Hispanic origin may be of any race.
